

Company's Profile:

AESTHETIX SPACES LLP, a Startup India-recognized firm, is a fast-growing interior design studio delivering end-to-end residential interior solutions. We specialize in creating thoughtfully designed living spaces using premium-quality materials, next-generation design trends, and innovative execution standards. Our services include modular interiors, customized furniture, décor, flooring, wall concepts, smart home automation, home styling, and special fittings – making us a complete one-stop destination for modern homeowners.

Why Work With AesthetiX?

At **AesthetiX**, we are not just building beautiful homes – **we are building careers**. We believe in:

-  A friendly, transparent, and supportive work culture
-  Real growth opportunities in a fast-scaling startup environment
-  Respect for work-life balance where everything runs smoothly & systematic manner
-  Encouraging creativity, ownership, and fresh thinking
-  A **revenue-sharing model** – where your earnings grow as the company grows, **not just with salaries**

For the **1st time in the Industry**, At **AesthetiX**, salary has no fixed limits for the right candidate. We operate on a revenue-sharing model – the more value you generate for the company, the more you earn. **AesthetiX** is not just a workplace, but a growth platform where your success directly drives the company's success. It's a true win-win opportunity.

If you are passionate, ambitious, and ready to grow with a dynamic interior brand, **AesthetiX Spaces** offers you the platform, freedom, and earning potential to build a meaningful career.

How long do you want to limit yourself to a fixed salary? Think bigger!

With our revenue-sharing model, your income grows as you grow. We don't just offer jobs – we offer growth partnerships. We want you to grow along with the company, not just work for it.

With our revenue-sharing model, the more value you create, the more you earn. **Let's design success – together.**

Role-4: Interior Designer

Earnings: Monthly - Rs 20,000 to 2,00,000 & Yearly - 3 LPA to 24 LPA (1 to 10 Years Exp)

We're looking for a creative and detail-oriented Interior Designer to join our team at AesthetiX. You will work on premium residential projects, delivering innovative, functional, and aesthetically strong designs — from **concept to final execution**. This role requires strong hands-on experience on **Sketchup, Enspace & AutoCAD**, design ownership, precision, and the ability to translate client vision into practical, high-quality interiors through smooth and proactive collaboration.

Important To Read: Please read the JD carefully and apply only if it matches your profile. Let's respect each other's time.

What we expect you to do - Just below 6 Tasks (Design Ownership from Concept to Execution)

1. **End-to-End Design Ownership:** Lead the complete design process from concept creation to final approved drawings and execution support.
2. **Client Understanding & Presentation:** Understand client requirements and confidently present 3D designs, realistic renders, 2D drawings with detailing, space plans, mood boards, and feasibility reviews.
3. **Material & Design Finalization:** Select and finalize materials, finishes, furnishings, and design elements aligned with project goals and client expectations.
4. **Accuracy, Budget & Timelines:** Deliver error-free designs on time, ensuring alignment with defined budgets and project feasibility.
5. **Team Coordination & Execution Support:** Collaborate closely with Sales Team(In creating quotations, you don't need to create), Site Engineers, Contractors, and Vendors to ensure smooth project execution.
6. **Site Supervision & Quality Control:** Conduct site visits, ensure execution matches approved drawings, resolve deviations proactively, and maintain aesthetic, functional, and safety standards throughout.
